IN THE COURT OF APPEAL OF THE STATE OF CALIFORNIA

FOURTH APPELLATE DISTRICT

DIVISION THREE

ALAN S., JR.,

Petitioner,

v.

THE SUPERIOR COURT OF ORANGE  
COUNTY,

Respondent;

MARY T.,

Real Party In Interest.

G041034

(Super. Ct. No. 95D001083)

ORDER MODIFYING OPINION;  
NO CHANGE IN JUDGMENT

The court has received a request for modification from Petitioner. The opinion filed March 18, 2009 and modified on April 2, 2009 is further modified as follows:

Delete footnote 7 on page 5, and renumber all subsequent footnotes. The reference to “footnote 8, ante” in former footnote 26, now footnote 25, on page 27, should now of course be “footnote 7, ante.”

The typographical error that listed “Judge Clay” instead of “Judge Smith” on page 8 has already been corrected administratively.

These modifications do not affect the judgment.
